Address: **990 Spring Garden St., 5th Fl., Philadelphia, PA 19107**

Which committee would you be most interested in serving on? (choose as many as apply)

Green and Clean	Zoning/Design Planning X
Community Engagement	Membership/Volunteer Coordination
Website/Social Media X	Communications/Marketing

Are you a CNA member? Yes **X** No

What position interests you? President Vice President Treasurer General Board **X**

What do you like most about the neighborhood?

- **Gritty, industrial fabric**
- **Unsettled, unfinished state**
- **Potential for significant positive change**

What do you think needs improvement in the neighborhood?

- **Trash / Graffiti**
- **Design (in particular monitoring and holding owners accountable for zoning agreements)**
- **Harassment of building projects by construction unions**

Tell us a little about yourself—how long have you lived in the neighborhood and what would make you a good board member:

Robert Cheetham is the founder and CEO of Azavea, a geospatial software and analytics firm that employs 65 people and has been based in the Callowhill neighborhood since 2002. Robert has a Masters in Landscape Architecture and Regional Planning and worked in local government in Japan and Philadelphia for several years. Prior to founding Azavea, Robert served as a software developer and data analyst for the Philadelphia Police Department, the University of Pennsylvania and the City of Philadelphia. Current projects include work in data visualization, climate change, green infrastructure, urban forestry, and stormwater. He has been on the CNA board since 2006.
