What do you like most about the neighborhood?

The blend of its industrial past with a contemporary future.

The neighborliness of a neighborhood that, on the surface, doesn't seem to be so.

The non-commercial quality of the restaurants, pubs, and clubs, plus the arts orgs.

The proximity to Center City. The Rail Park!!

What do you think needs improvement in the neighborhood?

A persistent trash problem. Attention to responsible, high-quality and beautiful development.

Attention to commercial businesses that are beneficial to residents.

Tell us a little about yourself—how long have you lived in the neighborhood and what would make you a good board member:

I have lived in the neighborhood for five years, first as a renter and now as an owner. As a CNA member I have attended meetings, fundraisers and clean-up days. I take an active interest in the area and value civic engagement. I am a designer and educator. In my professional career I have served on boards and appreciate both the importance and the commitment. It would be a pleasure to join the board as another steward of the neighborhood.
