What do you like most about the neighborhood?

Our neighborhood is unique and has a rich history. It's central and easy to navigate around the city. The future Rail Park interests me and the outdoor space and recognition it will bring to the area. I've been attending fundraisers and spreading the word to help get this project started as soon as possible.

What do you think needs improvement in the neighborhood?

Many pockets are trash dumps and it's a continuous effort to keep the streets clean. Through clean up days and meetings, and possible bids for changes we are slowly but surely making a dent.

Tell us a little about yourself—how long have you lived in the neighborhood and why would you make a good board member:

I have lived here since 2007. In center city since 1990. My background is in real estate. I also serve as President for my condo association. I've been on the board for 2 years and think my skill set is a great addition to the CNA. I enjoy meeting the fellow residents and hearing their concerns and trying to make the area the very best it can be and an enjoyable place to live.
