It's uniqueness and proximity to center city.

What do you think needs improvement in the neighborhood?

The future development projects, care of the Rail Park, neighborhood clean up and lighting.  
Street improvements.

Tell us a little about yourself—how long have you lived in the neighborhood and what would make you a good board member:

I've lived in the neighborhood for 11 years and have been involved in real estate for over 14 years including development. I serve as president of my current condo association as I enjoy heading up improvement projects and finding the best solutions for maintenance needs. I like to have a voice in what's happens to my neighborhood and hopefully bring some good ideas and assistance where needed.
